

BBQs

Barbecues are one of the most enjoyable ways of entertaining your guests on a more informal basis during the summer months. We can come along and cook your favourites on our Gas BBQs and serve them with cool crisp salads and traditional accompaniments.

We have minimum of 50 covers for both weekdays and weekends. Should the weather be unsettled we can supply a mini marquee, subject to a site survey, availability and additional cost.

Our chefs will come to your site and cook to order. Additional serving staff or drinks waiters can also be supplied (see additional equipment page on the website for prices).

All the Barbecue menus come with disposable plates, disposable cutlery and serviettes, but crockery and stainless steel cutlery can be supplied at an additional cost.
