

Sandwich Platters & Light Lunches

Hanson's are masters of sandwich making, having made over 12 million since 1985! We pride ourselves on our quality and freshness... we roast our own meats, and most of our fillings are handmade.

These menus are perfect for training days, staff meetings or more informal functions where your clients or guests can be served a light meal within an attractive budget!

These buffets come presented, garnished and ready to eat, with disposable plates and napkins.

Minimum numbers for these buffets are 10 on weekdays and 30 at weekends. There may be a delivery charge, depending on the number of covers and the location of the function.

Unless specified, sandwich platters include a mix of meat, fish and vegetarian items.
